

Friday, July 10, 2020

Dear FPCP Family and Friends,

Our world is always changing but thankfully the God whom we worship forever remains the same.

In response to our changing world, our church must also change in ways that reflect best safety practices but thankfully the message that our church shares of Christ's love and grace never changes.

This week, in our on-line worship service, you will notice a change. We have reintroduced children's sermons to our worship services. This week's children's sermon outlines some of the necessary changes ahead, but in so doing, it also provides a serious dose of comic relief.

Given the seriousness of all the world has had to cope with in 2020, it is important that we remind ourselves repeatedly that God has also graciously gifted us with laughter and joy.

It is with joy, that we, as a congregation celebrate the reopening of our church's Thrift Shop located at 331 N. Main Street in Plymouth. Beginning this coming Tuesday, July 14th the Thrift Shop will be open on Tuesdays and Thursdays from 10 am-2 pm and on Saturdays from 10 am- 3pm.

Next week, I hope to share with you our church's plans for re-opening for live worship.

Our church's COVID Task Force continues to meet weekly to ensure all precautions are in place to safely re-open our church building. Please be patient with us through all the changes ahead. Please continue to pray for our Task Force and for our church. I pray that through every change, we would be found faithful in our witness to God.

Wishing you joy in Christ today and always,

*Emily*
