The New Member Committee of First Presbyterian Church exists to help ease the transition of those who decide to enter into membership in the Church. Our goal is to help you find your place amidst our congregational life and help you serve and be served.

As a congregation of the Presbyterian Church (USA), our Church only considers one thing for membership, trust in God's grace through his Son Jesus Christ. If that is you and you pledge to become a part of the fellowship and ministry of His Church you would be committing to bearing witness to God's love and grace and promising to be responsibly involved in the ministry of Christ's Church. That involvement includes:

- proclaiming the good news in word and deed,
- taking part in the common life and worship of our congregation,
- lifting one another up in prayer, mutual concern, and active support,
- studying Scripture and the issues of Christian faith and life,
- supporting the ministry of the Church through the giving of money, time and talents,
- demonstrating a new quality of life within and through the church,
- responding to God's activity in the world through service to others,
- living responsibly in the personal, family, vocational, political, cultural, and social relationships of life,
- working in the world for peace, justice, freedom, and human fulfillment,
- participating in the governing responsibilities of the church, regularly reviewing and evaluating the integrity of one's membership, and considering ways in which one's participation in the worship and service of the church may be increased and made more meaningful
