**John George** the founder and Executive Director of Motor City Blight Busters is a person who is not afraid to get his hands dirty. Working with the crews and volunteers, he demolishes and renovates buildings. The activist was a former insurance salesman. He has a great sense of humor, but is serious about turning Detroit around. He transformed the three-story former Masonic temple on Lahser near Grand River between McNichols and Seven Mile roads into Blight Busters headquarters.
