

Are you supporting FPCP each time you shop at Kroger??
With holiday grocery shopping right around the corner,
now is a good time to be sure your Kroger Plus Card is linked to FPCP!
It's NO COST TO YOU and you keep your fuel points.

Each year FPCP earns about \$2000
because people link their Kroger cards to FPCP.

Monies from this program help those with hardships in our local area and congregation.

It's easy to enroll or link your Kroger Plus Card to FPCP.

Instructions - Go to www.krogercommunityrewards.com

All participants need a Kroger Plus Card (available at Kroger Service Desk) and an online account at Kroger.com.

If you have never created a Kroger account online:
