

Feb. 7, 2021 – “Commercial Break” Part 1

Mark Hovermale

1. When you first heard about the idea of your own commercial, what was your initial thoughts of what would be in it?
2. What stood out to you in the first Biblical account shared of Ananias and Sapphira?
3. The first main point was that our decisions help create our “commercial”. What are some of the main decisions you have made in your life that shape your commercial?
4. What stood out to you in the second Biblical account which was of Stephen?
5. What were some of the differences between the two accounts (of Ananias, Sapphira and Stephen)?
6. The second main point was that your values help create your commercial. What are the values you identified that shape your commercial?
7. The third main point was that where your heart truly is (what you are passionate about) helps create your commercial. Where is your heart truly at? What are the things that you are passionate about?
8. The last main point was that the people you spend your time with help create your commercial. Who are the people you spend the most time with? Are they the people you want influencing/creating your commercial?
9. The idea of a commercial of your life is just another way of describing your testimony. As you have answered these questions and have discussed them together, are you happy with your commercial? Are there changes you need to make to your commercial? Finally, if there are changes you need to make, how can you practically start making those changes this coming week?
